

ASSIGNMENT 1 :

Name: Md. Johir Raihan

ID: 2017000000190

Sec: 3

Course Code: CSE2016

Course Title: Programming language JAVA (Lab)

Date: 17/04/2019

1. Main Panel. Showing default message “Enter Your ID”.

The screenshot shows a game window with a blue title bar. The main content area has a light gray background. At the top, a large gray box contains the text "Enter Your ID !!". Below this, there are two input fields. The first is labeled "ID :" and the second is labeled "Your Guess:". Below the input fields, there are four buttons: "Generate", "Try Again", "PLAYER 1", and "PLAYER 2". To the right of these buttons is a button labeled "Leader Board".

Enter Your ID !!

ID :

Your Guess:

Generate Try Again

PLAYER 1 PLAYER 2 Leader Board

2. After Entering number in ID Edit text box, press “Genarate” Button to generate a random number with range of Entered Number. Here Try again button will be Disabled.

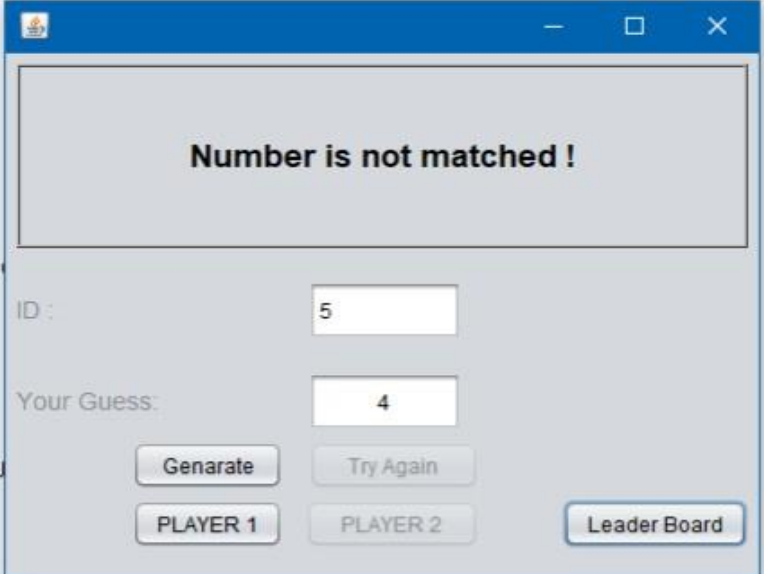

The image shows a Java Swing window with a blue title bar and standard window controls. The window contains a light gray panel with the following elements:

- A large rectangular area at the top with the text **Guess 0 to 5**.
- An "ID :" label followed by a text input field containing the number **5**.
- A "Your Guess:" label followed by an empty text input field.
- Two buttons below the input fields: **Genarate** (with a blue border) and **Try Again** (disabled, with a gray border).
- At the bottom, three buttons: **PLAYER 1**, **PLAYER 2**, and **Leader Board**, all with gray borders.

3. On “Your Guess Field”, Enter Guessed number and press which player want to play. While playing player 1 , player 2 button will be disabled and while playing player 2 , player 1 button will be disabled.

A screenshot of a game window with a blue title bar. The main area has a light gray background. At the top, a message box says "Number is not matched !". Below this, there are two input fields: "ID :" with the value "5" and "Your Guess:" with the value "3". There are two buttons: "Generate" and "Try Again". At the bottom, there are three buttons: "PLAYER 1", "PLAYER 2" (which is highlighted with a blue border), and "Leader Board".

A screenshot of the same game window. The message box still says "Number is not matched !". The "ID :" field still has "5". The "Your Guess:" field now has "4". The "Generate" and "Try Again" buttons are still present. At the bottom, the buttons are "PLAYER 1" (highlighted with a blue border), "PLAYER 2", and "Leader Board".

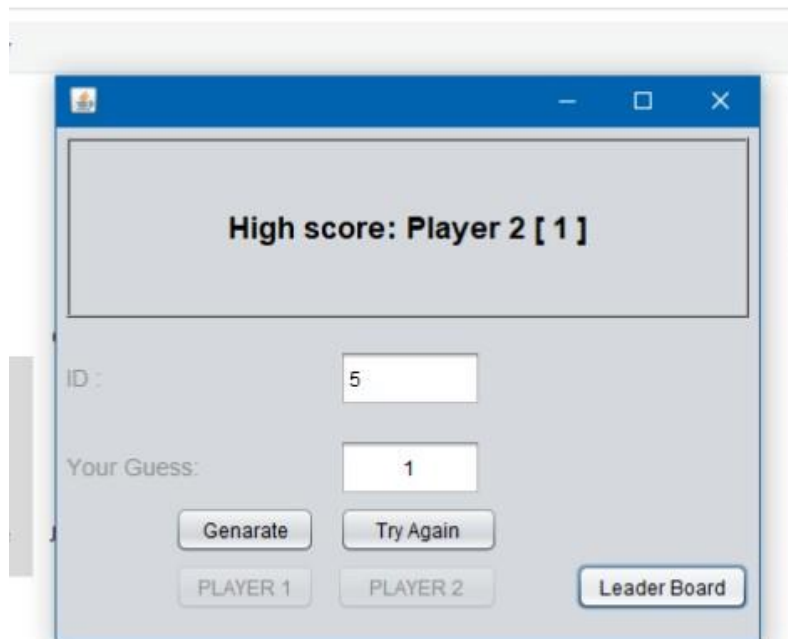

4. If one player have the correct guess both button will disable and “Try again” button will enable for restart the game.

5. If both player Remaining Chance is finished then it will show the guess number. Try again button will be enable and Player buttons will disable here.

6. "Leader Board " button will show High score

7. "Try again" will restart the game .
